

The European Molecular Genetics Quality Network

# Certificate of Participation 2020

This is to certify that

## Centro de estudios genéticos ATG Medical

Participated in 2020 in the following European Molecular Genetics Quality Network (EMQN) external quality assessment schemes:

Scheme	Genotyping	Interpretation	Clerical	Result
CMT	2.00	2.00	2.00	Satisfactory

The laboratory participated in 1 scheme and passed 1 of them. The detailed performance data are given on the Individual Laboratory Report (ILR). When viewing the certificates, you should ensure that 1 scheme is listed.

<b>Key:</b>	> Scheme Mean	< Scheme Mean	Poor performance
-------------	---------------	---------------	------------------

NRS: No Results Submitted  
WFS: Withdrew From Scheme

Signed by:

Prof. David Barton  
EMQN Chairman

Dr. Simon Patton  
EMQN Director

EMQN is a not for profit organisation which provides external quality assessment schemes for genetic testing laboratories. EMQN is a UKAS accredited provider of EQA services and is based at the Manchester Centre for Genomic Medicine, St Mary's Hospital, Manchester, UK.

The European Molecular Genetics Quality Network

# Certificate of Participation 2019

This is to certify that

## Centro de estudios genéticos ATG Medical

Participated in 2019 in the following European Molecular Genetics Quality Network (EMQN) external quality assessment schemes:

Scheme	Genotyping	Interpretation	Clerical	Result
AZF	1.83	2.00	2.00	Satisfactory

The laboratory participated in 1 scheme and passed 1 of them. The detailed performance data are given on the Individual Laboratory Report (ILR). When viewing the certificates, you should ensure that 1 scheme is listed.

**Key:** > Scheme Mean < Scheme Mean Poor performance

NRS: No Results Submitted  
WFS: Withdrew From Scheme

The European Molecular Genetics Quality Network

# Certificate of Participation 2018

This is to certify that

## Centro de estudios genéticos ATG Medical

Participated in 2018 in the following European Molecular Genetics Quality Network (EMQN) external quality assessment schemes:

Scheme	Genotyping	Interpretation	Clerical	Result
FRDA	2.00	1.92	2.00	Satisfactory

The laboratory participated in 1 scheme and passed 1 of them. The detailed performance data are given on the Individual Laboratory Report (ILR). When viewing the certificates, you should ensure that 1 scheme is listed.

The European Molecular Genetics Quality Network

# Certificate of Participation 2017

This is to certify that

## Centro de estudios genéticos ATG Medical

Participated in 2017 in the following European Molecular Genetics Quality Network (EMQN) external quality assessment schemes:

Scheme	Genotyping	Interpretation	Clerical	Result
HD	2.00	1.83	2.00	Satisfactory

The laboratory participated in 1 scheme and passed 1 of them. The detailed performance data are given on the Individual Laboratory Report (ILR). When viewing the certificates, you should ensure that 1 scheme is listed.

The European Molecular Genetics Quality Network

# Certificate of Participation 2016

This is to certify that

## Centro de estudios genéticos ATG Medical

Participated in 2016 in the following European Molecular Genetics Quality Network (EMQN) external quality assessment schemes:

Scheme	Genotyping	Interpretation	Clerical	Result
SCA	2.00	1.67	2.00	Satisfactory

The laboratory participated in 1 scheme and passed 1 of them. The detailed performance data are given on the Individual Laboratory Report (ILR). When viewing the certificates, you should ensure that 1 scheme is listed.
